More informations about 0.5 ml Screw Cap Tube, Ribbed, Skirted, Amber

Mix and match – tubes and caps!

Polypropylene screw cap tubes made from 100% medical grade polypropylene. Suitable for many applications from sample storage in the gas phase of liquid nitrogen to freezer, through boiling to autoclave (121 °C). Available with or without graduations, the graduated versions are marked at every 100 µl to provide easy sample estimation. Offered with either skirted or conical bases. Routinely tested to 20,000 x g. Caps are available separately; all tubes and caps are autoclavable. Certified RNase, DNase and DNA free.
