# More informations about StarGuard® Comfort

**Enhanced comfort by improved fit**

An extremely soft and strong glove that provides improved tactile sensitivity to help reduce the risk of hand fatigue.

**Recommended for use when:**

› Work demands dexterity and tactile sensitivity
› You require a lightweight glove with exceptional fit
› You want to reduce hand fatigue caused by gloves
› A combination of comfort and chemical protection is needed
› Gloves must be approved for food contact according to EU Regulation (EC) No. 1935/2004.

**Combating hand fatigue!**

Hand fatigue not only severely impacts the work you do today, it can also have long-term ramifications. StarGuard® Comfort has been recognised as an Ergonomic Certified glove that provides measurable ergonomic benefits to the user by improving comfort and fit, and minimising the risk factors that may contribute to ergonomic injuries.

**Improved fit and longer length**

StarGuard® Comfort have snug fitting fingers and are 245 mm long to provide full cover over the wrist.
