

XCEED®

Product Highlights

- **Stronger:** New, revolutionary nitrile formulation which is up to 60% stronger than other leading brands of nitrile or latex gloves
- **Softer:** New, manufacturing process makes XCEED® an unbelievably soft nitrile glove that rivals the fit, feel and dexterity of latex
- **Greener:** New, larger pack size of 250 gloves per box saves on packaging materials, transport costs and storage space

Product Applications

Personal protection
Occupational health and safety
Sample protection
Process protection

More informations about XCEED®

Made from exclusive Avantex™ advanced polymer technology, these unbelievably soft gloves provide improved tactile sensitivity to help reduce hand fatigue. XCEED® sets a new standard in strength and durability – up to 60% stronger than leading brands! Supplied in boxes of 250 gloves, the larger pack size helps to conserve the environment by reducing packaging materials, transport costs and storage space.

Recommended for use when:

- › Work demands great dexterity and you need a glove to reduce hand fatigue
- › You are looking for significantly stronger protection
- › Working in environments that demand consistent grip and reliability
- › Using Ethidium Bromide (Breakthrough: >480 mins)

United States Ergonomic Product Certification

XCEED™ is the first glove to receive an ergonomic award!
