

## Robotic Reservoirs

### Product Highlights

- All robotic reservoirs are certified RNase, DNase and Pyrogen free

## Product Applications

PCR Setup

Assay-Setup

Serial Dilutions

Distributing Reagents

Sample or Reagent Transfer

## More informations about Robotic Reservoirs

### High quality for high throughput!

Starlab reservoirs conform to the standard SBS footprint for compatibility with most robotic systems. They have virtually no dead volume and are available in high- or lowprofile and two well styles. The sturdy polypropylene construction ensures rigidity during automation and provides excellent chemical resistance.
