More informations about ErgoOne® E Single-Channel Pipettes

Reliable and ergonomic!

ErgoOne[®] E electronic pipettes provide reliable pipetting every day. Ergonomic and lightweight, ErgoOne[®] E pipettes are perfect for comfortable pipetting during long periods of use. ErgoOne[®] E and Starlab's TipOne[®] pipette tips provide the perfect pipetting partnership, but the optimized design of the tip cone provides the user with a convenient universal tip fit.

Four operating modes provide standard and reverse pipetting, as well as mixing and dispensing. A unique "Electrophoresis" mode (available on all models excluding 1000 µl, 1250 µl, and 5000 µl,) is also available to help you load gels easily. The long-lasting battery can also be charged during use so you are never without your pipette.
