

## 200 µl graduated TipOne® Filter Tip, Natural (sterile)

### Product Highlights

- Graduated at 50 µl, 100 µl and 200 µl
- Highly effective HDPE filter that contains no additive to interfere with your samples
- Universal tip fit
- High-quality virgin polypropylene tips, with extremely smooth surfaces for reduced sample retention
- Sterile and Certified RNase, DNase, DNA and Pyrogen free
- All components, excluding tips and shrink wrap, are recyclable

## Product Applications

DNA applications (e.g. PCR)

RNA applications (e.g. Gene expression analysis)

Protein applications (e.g. Antibody Research)

Cell Culture applications (e.g. Media)

Applications with radio actives

## More informations about 200 µl graduated TipOne® Filter Tip, Natural (sterile)

### Experience effortless precision with TipOne® Filter Tips

Elevate your daily lab work with TipOne® filter tips! Enjoy precise, reliable pipetting every time—no more wasted samples or frustrating fit issues. TipOne® filter tips are compatible with all popular pipettes for accurate results you can trust, every single day.

### Why TipOne® makes labs better:

**Universal tip fit:** Simplify your bench and inventory. The tip collar of TipOne® tips is engineered to fit all popular pipettes without any loss of accuracy or precision.

**Made for precision:** Expert design and the use of high-quality virgin materials means our tips provide consistent accuracy to help you get reliable results and reduce costly rework.

**Excellent filter:** The TipOne® filter protects against aerosol cross-contamination without trapping your valuable samples. And, the filters contain no additives to interfere with samples either!

**Pure quality:** Sterile TipOne® tips are validated according to EN ISO 11137-2:2007. All TipOne® tips are certified RNase, DNase, DNA and pyrogen free.

### Flexible Packaging:

**Racked:** Sturdy, reusable racks stay stable on your bench. Quickly reload with our sterile or non-sterile TipOne® refills for reduced plastic waste and cost.

**Refill:** Load sterile filter tips into racks in an instant, and cut down on plastic waste and costs. TipOne® sterile refills are fully enclosed so tip sterility is never compromised.

### Join our journey to sustainable pipetting!

Reduce your lab's plastic waste! TipOne® racks and refill system components use recycled materials and are fully recyclable (except shrink wrap and the tips themselves) via the TipOne® recycling service.

We'll collect your used TipOne® plastic, recycle it and use the recycled plastic to make more TipOne® products. No more guessing if or how your recycling gets reused—TipOne® closes the loop for you!
