More informations about 200 µl TipOne® Tip, Natural

Experience effortless precision with TipOne® Pipette Tips

Elevate your daily lab work with TipOne® pipette tips! Enjoy precise, reliable pipetting every time—no more wasted samples or frustrating fit issues. TipOne® tips are compatible with all popular pipettes for accurate results you can trust, every single day.

Why TipOne® makes labs better:

Univeral tip fit: Simplify your bench and inventory. The tip collar of TipOne® tips is engineered to fit all popular pipettes without any loss of accuracy or precision.
Made for precision: Expert design and the use of high-quality virgin materials means our tips provide consistent accuracy to help you get reliable results and reduce costly rework.

Pure quality: Sterile TipOne® tips are validated according to EN ISO 11137-2:2007. All TipOne® tips are certified RNase, DNase, DNA and pyrogen free.

Flexible Packaging:

Racked: Sturdy, reusable racks stay stable on your bench. Quickly reload with TipOne® refills for reduced plastic waste and cost. Sterile options available.
Refill: Load tips into your racks with a few easy steps. Refills are available sterile or non-sterile, helping you cut down on plastic waste (and expenses).
Stack Rack: Handle large experiments effortlessly—dispense 960 tips from one compact unit that is perfect for multi-channel pipettes and busy workflows. Sterile options available.
Loose: For teaching or routine work, stock up on affordable quality tips. Supplied in convenient resealable bags.

Join our journey to sustainable pipetting!

Reduce your lab's plastic waste! TipOne® racks and refill system components use recycled materials and are fully recyclable (except shrink wrap, loose bag, and tips) via the TipOne® recycling service.

We'll collect your used TipOne® plastic, recycle it and use the recycled plastic to make more TipOne® products. No more guessing if or how your recycling gets reused—TipOne® closes the loop for you!
