## More informations about Starlab Minicentrifuge

### **SMOOTH OPERATOR**

With a sleek, curved design that will look fantastic on your bench, the Starlab Minicentrifuge is a compact and solid unit that delivers a quiet, smooth operation.

### **AHEAD OF THE CURVE**

The Starlab Minicentrifuge has a compact footprint that makes it the perfect, personal bench partner for your quick spin downs. It's so easy to use! Just load your samples, close the lid and you're spinning! To end the cycle, touch the Stop button for super fast breaking and release of the lid lock. We even thought about your samples. Should the power be cut during spinning, the lid will automatically unlock so your precious samples are not trapped inside. We really have thought of everything!

The Minicentrifuge is supplied with a Power Adapter and four exchangeable plugs, 1 x Tube Rotor, 1 x PCR Strip Rotor, and 8 x 0.5 ml and 8 x 0.2 ml Adapters for use with the Tube Rotor.

## Accessories
