More informations about StarGuard® Essential PLUS, Nitrile Gloves

StarGuard® Essential Plus. Essential protection, smarter spend.

StarGuard® Essential Plus is a thinner-feel nitrile glove for dual-purpose protection.
These PPE Cat. III gloves are suitable for use in the laboratory for protection from chemical or biological hazards. The gloves are also in compliance with EU Medical Device Regulation (MDR) 2017/745 and can also be used in healthcare settings, for protection from cross-contamination and infection.

Recommended uses:
- Everyday laboratory protection against chemicals and biological hazards
- In healthcare settings for protection from cross-contamination and infection
- When gloves must be approved for food contact according to EU Regulation (EC) No. 1935/2004

StarGuard® Essential Plus is supplied in economical pack sizes of 10 x 200 gloves per box.
